## Manufacturing Equipment Rental Program

The Machine Tool Finance Group of U.S. Bank Equipment Finance is dedicated to financing manufacturing equipment. We offer innovative financing solutions, including short-term equipment financing, to accommodate the needs of your business.

### ■ Rental Program Features

- 12 to 24 months
- Convenient one page application for eligible equipment up to \$350,000
- End of term options include:
  - Returning the equipment
  - Renting for an additional 12 or 24 months
  - Purchasing the equipment, applying a percentage of the previous rental payments toward the purchase price

### ■ Industry Expertise

- As industry specialists we offer our expertise to assist with the financing decision process, offering sound advice and competitive financing alternatives.
- Our leasing professionals take the time to listen to your needs and understand your business.

### ■ Long-Term Commitment

For more than 25 years, the Machine Tool Finance Group of U.S. Bank Equipment Finance has been committed to helping businesses finance needed manufacturing equipment.

U.S. Bank Equipment Finance has been providing quality equipment finance solutions for more than 35 years. We proudly serve as a major funding source for companies in virtually every industry sector nationwide. As a subsidiary of U.S. Bank, the sixth largest commercial bank in the nation, we have the financial strength and expertise to support your equipment needs.

Let us help you acquire the equipment you need to stay competitive and more closely align costs with productivity and profitability.
